Please register here:

<http://cljct.org/special-guests>

Join us as we launch new  
campaigns and obtain public  
commitments toward justice in:

- Mental Health
- Environmental Racism
- Educational Equity
- Housing and Homelessness
- Gun Violence

## COVID-19 PRECAUTIONS

KN95 masks will be required  
during the event, and we  
ask that you test before  
coming to ensure we keep  
everyone safe

**GHIAA**

ORGANIZATION OF 48 DIVERSE FAITH  
INSTITUTIONS THROUGHOUT  
GREATER HARTFORD ORGANIZING  
TOGETHER FOR JUSTICE!**

# 2023 ISSUE SLATE

## **Mental Health**

GHIAA will partner with HUSKY 4 Immigrants to expand health care coverage for adolescents regardless of immigration status, and join with allies to create new options for community mental health support.

## **Environmental Racism**

GHIAA will fight for the remaining MIRA funds to be put toward proper remediation of the trash-to-energy plant in the Southend of Hartford.

## **Educational Equity**

In a state where 50% of K-12 students are individuals of color, Connecticut spends \$720 million more to educate school districts that are 75% white students than they do on school districts that are at least 25% students of color. GHIAA will demand funding equity for Connecticut in partnership with Faith Acts and CONECT.

## **Housing and Homelessness**

GHIAA will join with Open Communities Alliance to fight for zoning reform for affordable housing and call on suburban towns to join with Hartford to address regional homelessness. GHIAA will also fight for a rent cap to curb predatory rent hikes that are increasing housing insecurity across the state.

## **Gun Violence**

GHIAA will fight for increased resources for organizations working directly toward gun violence prevention in urban areas.
